- **ABILITAZIONE SCIENTIFICA NAZIONALE (ASN) alle funzioni di professore di Seconda Fascia** conseguita nel VI° semestre del biennio **2018-2020** per il settore **10/G1 di Glottologia e Linguistica** (L-LIN/01) – validità dal **28/05/2021** al **28/05/2030**

EDUCATION:

- M.A. - 2012: Department of Linguistics. Thesis title: *Per un sistema di misurazione degli impliciti nei testi persuasivi*, (translated) *For a measurement system of implicit information in persuasive texts* (Supervisor: Prof. Edoardo Lombardi Vallauri), Roma Tre University. 110/110 *cum laude*.
- B.A.– 2009: Department of Linguistics. Thesis title: *Fenomeni di interferenza sintattica del gaelico d'Irlanda sull'Irish English*, (translated) *Syntactic Interferences of Irish Gaelic on Irish English* (Supervisor: Prof. Edoardo Lombardi Vallauri), Roma Tre University. 110/110 *cum laude*.
- High school – 2005: Accountant school “Vittorio Bachelet” (Rome). Score: 100/100.

SCHOLARSHIPS:

- **2013-2015**: Three-year Ph.D grant won at the University of Roma Tre (Rome, Italy).
- **Scholarship** won with Erasmus Plus Teachers' Mobility Programme for a 10-hour course held at the University of Sevilla (Facultad de Filologías Integradas) on *Pragmatics in Interlinguistic Translation* (“La pragmatica nella traduzione interlinguistica”), 21-23 May, 2019.

INTERNATIONAL EXPERIENCE:

- Three-month research period at the Laboratory of Experimental Linguistics (XLinc) of the University of Cologne (Supervisor: Prof. Dr. Petra B. Schumacher).

TEACHING EXPERIENCE (SEMINARS):

- **March 2015**: lecture on *Neurolinguistics. Birth of the discipline, present-day brain imaging techniques and workings of the human memory system*, held at the *Scuola Superiore per Mediatori Linguistici* (Pisa, Italy).
- **March 2015**: lecture on *Neurolinguistics. Birth of the discipline, present-day brain imaging techniques and experimental studies*, held at the *Scuola Superiore per Mediatori Linguistici* (Pisa, Italy).
- **May 2015**: lecture on *Tracing the Sociobiological Bases of Information Structure* held at the University of Cologne.
- **March 2016**: lecture on *Reading in a Foreign Language*, held at Advanced School for Linguistic Mediators (Pisa, Italy).
- **June 2016**: lecture on *Sociobiological Bases of Information Structure*, held at the University of Florence (Italy) for the LABLITA Laboratory, directed by Prof. Emanuela Cresti and Prof. Massimo Moneglia.
- **November 2016**: lecture on *Neurobiological Bases of Information Structure*, held at the S.Lucia Foundation (Center for Neurosciences and Rehabilitation).
- **December 2016**: lecture on *Neurobiological Bases of Information Structure*, for the Romanisches Seminar Department at the University of Zurich (Prof. Michele Loporcaro)
- **October 2017**: Lecture on *Neurological Bases of Language* (Basi neurobiologiche del linguaggio). Seminar held at the *Scuola Superiore per Mediatori Linguistici* (SSML, Pisa, Italy).

- **April 2018** – Lecture on *Neurobiological Bases of Information Structure: Theoretical and Experimental Perspectives*, held at the University of Stockholm (organized by Dott. Roberta Colonna-Dahlman).
- **November 2019** – *The manipulative disguise of truth: Tricks and threats of implicit communication* (organized by Prof. Uli Reich, Freie Universität Berlin).

NON-ACADEMIC (TEACHING) EXPERIENCE:

- 2009-2012: teaching of Italian as a foreign language at Scuola Lingue Cola di Rienzo (Rome) (lessons planning, CELI exams preparation).
- February 2016-May 2016: ESOL Cambridge Exams preparation for AES School (Rome).
- July 2018-present: Translator and teacher of English and Italian as L2 at EduPlanet – Centro di Formazione Linguistica, Rome.
- May 2020 – present: Translator of minutes of European projects.

OTHER SCIENTIFIC ACTIVITIES:

- 2009: participation in training courses for CELI examiners organized by the Center for Linguistic Evaluations and Certifications (CVCL).
- January 2012: attendance at the Winter School TRIPLE 2012, Roma Tre University (Rome).
- September 2013: attendance at the Summer School of Linguistics, University of Udine (Italy).
- February 2014: attendance at the Winter School of TRIPLE 2014, Roma Tre University (Rome).
- Organization of the XI° AISC-CODISCO Congress, 2014 *Bodies, Tools and Cognition*, December 2-5, 2014, Roma Tre University.
- Organization of the Workshop on *Theoretical and Experimental Approaches to Presuppositions* held at the University of Genoa, 3-5 March, 2017.
- Organization of the 1° Workshop XPRAG.it – *Behavioral and Neural Evidence on Pragmatic Processing*, held at the University of Genoa, 10-11, June, 2017.
- (con Edoardo Lombardi Vallauri, Laura Baranzini, Federica Cominetti, Doriana Cimmino, Giorgia Mannaioli & Claudia Coppola). Organization of the panel "Qualitative and quantitative approaches to implicit communication" al Convegno ARGAGE – *Argumentation & Language*, Università di Lugano, dal 07-02-2018 al 09-02-2018.
- (con Edoardo Lombardi Vallauri, Laura Baranzini, Federica Cominetti, Doriana Cimmino, Giorgia Mannaioli & Claudia Coppola). Organization of the workshop *Implicitness and Persuasion in Language* held at the 53° SLI Conference in Como, 19-21 September, 2019.
- Organization of the XVI AISC Annual Conference to be held Rome, 11-13 December 2019.

AFFILIATIONS:

Member of the Italian *Society of Linguistics and Philology* (SILFI), *Member of the Societas Linguistica Europaea* (SLE), *Società di Linguistica Italiana* (SLI), *Associazione Italiana delle Scienze Cognitive* (AISC), *Member of the International Pragmatics Association* (IPrA), *Membro cooptato per la Società Italiana di Glottologia* (SIG).

CONFERENCE TALKS:

2014

- (with Edoardo Lombardi Vallauri). Specificità della lingua persuasiva: quantificare l’implicito nei testi politici e pubblicitari, XIII° SILFI Congress, *La lingua variabile nei testi letterari, artistici e funzionali contemporanei (1915-2014): analisi, interpretazione, traduzione*, Palermo (Sicily), September 22-24, 2014.
- (with Edoardo Lombardi Vallauri). L’implicite comme moyen de persuasion: une approche quantitative. Colloque International *Autour des formes implicites*, Limoges, 13-14 November 2014.
- (with Edoardo Lombardi Vallauri). Misurare l’informazione implicita nella propaganda politica italiana, XI° ASLI Congress - *L’italiano per la politica e la politica per l’italiano*, Naples, November 20-22, 2014.
- (with Edoardo Lombardi Vallauri). La struttura Topic-Focus si è evoluta per economia di processazione? (Eng. Has Topic-Focus structure evolved for economy of processing?), XI° AISC-CODISCO Congress, Rome, December 20-5, 2014.

2015

- (with Edoardo Lombardi Vallauri). Did informational prominence evolve to ensure economy of processing? Poster presented at the *International Conference on Prominence in Language*, Köln, June 15-17, 2015.
- (with Vittorio Ganfi). Towards a pragmatic account of the particle *persino/perfino* in Italian: steps of a grammaticalization process, *International Conference on Historical Linguistics*, July 27-31, 2015, Naples.
- (with Edoardo Lombardi Vallauri). L’information implicite entre économie d’effort et esquivage du jugement critique, ARGAGE Conference on *Argumentation and Language: Linguistic markers, discursive processes, cognitive operations*, Lausanne, September 9-11, 2015.
- (with Edoardo Lombardi Vallauri). Easing automation in sentence processing: the emergence of Topic and Presupposition units in human language, *Protolang 4*, Rome, September 24-26, 2015.

2016

- (with Vittorio Ganfi). Modelli cognitivi top-down nell’acquisizione linguistica: uno sguardo al ruolo delle aspettative nell’insegnamento/apprendimento dell’italiano come L2, XIV° Congresso SILFI – *Acquisizione e didattica dell’italiano*, Madrid, April, 4-6, 2016.
- Lecture on *Sociobiological Bases of Information Structure*, (doctoral dissertation) *Linguaggio a Roma Tre*, May 26, 2016, University of Roma Tre.

- (with Gioia Insacco). Between eventive and stative nominalizations in Italian: a constructional and cognitively-based account, 49th Annual Meeting of the *Societas Linguistica Europaea, Naples*, 31 August-3 September, 2016.
- (with Paolo Canal, Irene Ricci, Edoardo Lombardi Vallauri, Filippo Domaneschi e Valentina Bambini) – Neurolinguistic perspectives on presupposition processing, *Associazione Italiana di Scienze Cognitive – Italian Association of Cognitive Sciences (AISC)*, Turin, November, 24-26, 2016.
- Neurocognitive underpinning of Information Structure: between bottom-up and top-down processing, *Associazione Italiana di Scienze Cognitive – Italian Association of Cognitive Science (AISC)*, Turin, November 24-26, 2016.
- Automaticity and control in the processing of Information Structure, Workshop on ‘Automatic and controlled processes in language’, *Associazione Italiana di Scienze Cognitive – Italian Association of Cognitive Sciences (AISC)*, Turin, November 24-26, 2016.
- (with Davide Garassino) – Le funzioni del significato implicito su Twitter: Uno studio sulla comunicazione politica in Italia e in Inghilterra, lecture presented at the *Romanisches Seminar* (Director: Prof. Michele Loporcaro), University of Zürich.

2017

- An integrated account of Information Structure and Evidentiality: from political speech to human communication, talk presented at the 50th *Annual Meeting of the Societas Linguistica Europaea (SLE)*, University of Zurich, September 10th-13th, 2017.
- (with Davide Garassino and Nicola Brocca) – Implicit Communication in Twitter. A Comparative Corpus-Based Analysis of Presupposition and Implicatures in Italian and English Political Communication, talk presented at the 5th meeting of *Linguistics Beyond and Within* International Linguistics Conference, The John Paul II Catholic University of Lublin “The Outskirts of the Regular”, 18-19 October, 2017.
- (with Edoardo Lombardi Vallauri, Doriana Cimmino, Laura Baranzini, Federica Cominetti, Claudia Coppola, Giorgia Mannaioli) – The Outskirts of Linguistic Persuasion: Measuring Implicit Presentation of Questionable Information, talk presented at the 5th meeting of *Linguistics Beyond and Within* International Linguistics Conference, The John Paul II Catholic University of Lublin “The Outskirts of the Regular”, 18-19 October, 2017.
- (with Margherita Diex, Emanuela Piciuccio, Emanuele Maiorana, Patrizio Campisi & Edoardo Lombardi Vallauri). Assessing word-class constraints on Information Structure processing. Talk presented at the 14th AISC Annual Conference, *The Science of Cognition. Brain, Body, Language and Technologies*, University of Bologna, 14-16 December 2017.

2018

- (with Davide Garassino and Nicola Brocca). Implicit communication in Twitter: analysing the pragmatic functions of politicians’ use of implicatures and presuppositions. Talk presented at the 2018 ARGAGE – Argumentation & Language Conference, Lugano, 7th-9th February within the panel *Qualitative and quantitative approaches to implicit communication*.
- Organization of the panel *Qualitative and quantitative approaches to implicit communication* within the 2018 ARGAGE – Argumentation & Language Conference, Lugano, 7th-9th February.

- (with Edoardo Lombardi Vallauri). *Processamento della Struttura Informativa: ritmi oscillatori e analisi tempo-frequenza*. Talk presented at the Giornata di Linguistica Sperimentale e Computazionale, organized at the University of Padua, 23 February 2018.
- (with Nicola Brocca and Ewa Kuçelman), *Developing Cultural and Metalinguistic Competences by extracting implicit contents from political tweets: a comparative Italian and Polish project*, Talk presented at the Round Table on “Social Net(work)s in Education and Language Sciences”, 15th June, 2018, Heidelberg School of Education.
- (with Edoardo Lombardi Vallauri). *La comunicazione implicita come dimensione di variazione tra tipi testuali [Implicit communication at the boundary between textual genres]*. Talk presented at the XV° SILFI Congress *Linguaggi settoriali e specialistici* [Eng. trans. Technical and specialized languages], 28-31 May, 2018, Genoa.
- (with Matteo Pandimiglio). *Linguistica, diritto e variazione. Uno sguardo alle sentenze in Italia* [“Linguistics, law and variation. A look at the language of verdicts in Italy]. Talk presented at the XV° SILFI Congress *Linguaggi settoriali e specialistici* [Eng. trans. Technical and specialized languages], 28-31 May, 2018, Genoa.

2019

- *(Re-)assessing the status of Second Occurrence Focus in Information Structure: Evidence from phonological, processing and micropragmatic perspectives*. Talk presented at the workshop “When Data Challenges Theory: Non-Prototypical, Unexpected and Paradoxical Evidence in the Field of Information Structure, Freiburg, 15-16 February, 2019.
- (with Nicola Brocca and Leo Will). *Make pragmatics great again! Teaching implicatures and presuppositions as a part of democracy education in the age of Twitter and Facebook*. Talk presented at the international conference *Educating the Global Citizen. International Perspectives on Foreign Language Teaching in the Digital Age*, at the Ludwig-Maximilians-Universität, München, 25-28 March, 2019.
- (with Edoardo Lombardi Vallauri). *Manipulation through implicit communication: a cognitive approach to persuasive language*. Talk to be presented at the XVI° Annual Conference of the *Italian Association of Cognitive Sciences (AISC)*, Rome, 11-13 December 2019.

2020

- *Manipulative Effects of Implicit Communication: A Comparative Analysis of French, Italian and German Political Speeches* (with Edoardo Lombardi Vallauri, Laura Baranzini, Dorian Ciminno, Federica Cominetti, Claudia Coppola, Giorgia Mannaioli).
